

AlesK

A profile photograph of a man, AlesK, looking upwards and to the left. He has short dark hair and a light beard. He is wearing a dark t-shirt with a colorful, abstract graphic design in yellow, orange, and blue. He is also wearing large black headphones around his neck. The background is dark with some blue and green light streaks.

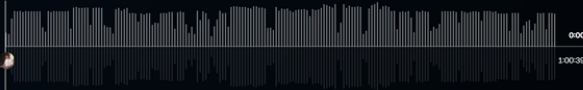

As a music enthusiast from an early age and with several years of piano training at the conservatory under his belt, Alex decided to make the most of the little free time left by his medical studies in Nice to develop his own musical project, focused on Trance and its many subgenres – a journey that would lead him to discover a well-hidden side of his beloved French Riviera.

Continuously expanding his artistic horizons, AlesK has gone on to perform across France, notably at the launch of the Psymind Vision events, as well as at the Château Perché festival (2023 edition).
