BIO

Young talent from the Progressive Psytrance scene, who surprises at each of his appearances, always in search of the right vibe adapted to the moment. He knocked on the door more and stronger and intends to make a place for himself in this environment ...

Beginning in the years 2013 he became known within the group KDF. Having started in the underground environment then he progressed on larger plateaux welcoming international artists.

Drawing inspiration from different exotic cultures, especially in Brazil, he will share them with you through his melodious, rhythmic, and always sought-after sounds ... that will make you travel for sure !
