countries worldwide

Pattern115 is a live electronic music project founded in 2014, based in France, exploring extreme tempos and underground sound cultures.

Pattern115's style is a fusion of DnB, hard techno, dubstep and breakbeat, with immersive soundscapes, sharp melodies, acid textures, and groovy, driving basslines.

Pattern115 performs intense live sets and has opened for Babalos, Undercover, Maramba, while connecting with listeners across 102 countries worldwide.
